- GRAY SCALE DOCUMENTS

IMAGES ARE BEST AVAILABLE COPY.

**As rescanning documents *will not* correct images,
please do not report the images to the
Image Problem Mailbox.**

A detailed technical cross-section drawing of a mechanical assembly, likely a pump or valve. The drawing shows a central cylindrical body with various internal components. Key features include:

- Top Section:** A horizontal shaft or rod (14) passing through a housing (1). A bracket (7) groups components 12 and 13.
- Left Side:** A vertical assembly including a piston or plunger (11) within a cylinder (10). Other components like 18, 17, and 9 are visible.
- Right Side:** A gear mechanism (4) with a gear (6) mounted on a shaft (5).
- Bottom Section:** A complex assembly of components including a valve or plug (31), a spring (30), and various seals and guides (20, 27, 36, 35).
- Internal Components:** Several diagonal hatching patterns represent different materials or sections. Components 15 and 16 are at the bottom center, and 8 is a bracket for them.
